## AUTHORIZING CRIMINAL HISTORY

In accordance with the Texas Education Code Sections 22.083-22.084, Texas school districts may obtain from any law enforcement or criminal justice agency all criminal history record information on the applicants for employment.

Meadowland Charter District (MLCD) is required to check criminal conviction records on applicants in positions with direct contact with persons served by the agency once an employment offer is made. Certain convictions may make you ineligible for employment/continued employment and lead to dismissal.

In accordance with Texas Senate Bill 9, the TEA must acquire criminal history reports on charter school employees, certified and currently employed educators, substitutes, and non-certified employees hired after January 1, 2008.

For insurance purposes, driving records will be checked on all employees who are required to drive. If an employee is not insurable, employment may be terminated.

I hereby declare the information provided by me in this Employment Application is true, correct and complete to the best of my knowledge. I understand that if employed, any misstatement or omission of fact on this application shall be considered cause for dismissal and I understand that as a condition of employment, compliance with the MLCS Personnel Policies is required.
